

L. CORNELISSEN & SON

Artists' Colourmen

Suppliers of Materials for Painters, Gilders & Printmakers

Safety Data Sheet according to Directive 91/155/EC

Revision Date: August 2016

1) Identification of the substance/preparation and the company

Trade Name: Cornelissen Isinglass – all types.

Application: Artists' Adhesive

Manufacturer/Supplier:

L Cornelissen & Son Ltd
105 Great Russell Street
London WC1B 3RY

Tel: 020 7636 1045

Fax: 020 7636 3655

www.cornelissen.com

2) Composition/Information on ingredients

No Hazardous ingredients.

3) Hazards Identification

Classification according to Regulation (EC) No 1272/2008

Classification

Not a hazardous substance or mixture.

Label Elements

Not a hazardous substance or mixture.

4) First Aid Measures

If inhaled: Move to fresh air.

In case of skin contact: Wash with soap and water.

In case of eye contact: Rinse eyes with plenty of water as a precaution.

If swallowed: None required. Drink water if required.

Most important symptoms and effects, both acute and delayed:

N/A

Indication of any immediate medical attention and special treatment needed: N/A

5) Fire Fighting Measures

Extinguishing media

Suitable extinguishing media: CO₂, Foam, Dry Powder or Water.

Special hazards arising from the substance or mixture

Specific hazards during firefighting: Not known

Advice for fire fighters

Special protective equipment for fire fighters: Self-contained respirator and protective clothing should be worn.

Other recommendations: Evacuate area

Combustion products: Incompletely burned carbon products

6 Accidental Release Measures

Personal Precautions, Protective Equipment and Emergency Procedures

Personal precautions: Avoid eye and prolonged skin contact.

Environmental precautions

Environmental precautions: None established.

Methods and Materials for Containment and Cleaning Up

Methods and materials: Sweep or vacuum into sealed container.

7) Handling and Storage

Precautions for Safe Handling

Advice on safe handling: Avoid eye and prolonged skin contact.

Hygiene measures: General industrial hygiene practice.

Safe Storage

Storage conditions: Store in a cool and dry place.

Do not store near acids and/or water.

8) Exposure/Personal Protection

Exposure Controls

Appropriate engineering controls: None

Personal protective equipment

Eye/face protection: Chemical safety goggles or face-shield.

Skin protection: Additional PPE not normally required.

Body Protection: Protective gloves.

Respiratory protection: Not normally required.

Industrial hygiene: Exercise good hygiene practices.

Environmental exposure controls

General advice: No special environmental precautions required.

9) Physical and chemical Properties

Form:	Powder
Colour:	Off-white
Odour:	Slight
pH:	Not determined
Melting Point:	Not determined
Boiling Point:	Not determined
Flash point:	Not determined
Flammability (solid, gas):	Not determined
Explosion hazard:	N/A
Vapour pressure:	Not determined
Density at 20°C:	Not determined
Water solubility:	Slowly soluble
Auto-ignition temperature:	N/A
Thermal decomposition:	Not determined

10) Stability and Reactivity

Stability	Stable
Reactivity:	Stable under normal conditions.
Possibility of hazardous reactions:	Stable under normal conditions.
Conditions to avoid:	High humidity may cause caking.
Incompatible materials:	Water and acid.
Hazardous decomposition products:	Carbon compounds.

11) Toxicological Information

Information on toxicological effects

Acute toxicity:	N/A
Skin corrosion/irritation:	No adverse effects normally expected.
Eye irritation:	May cause temporary discomfort.
Respiratory or skin sensitization:	No adverse effects normally expected.
Additional toxicological information:	None.

12) Ecological Information

Toxicity

No specific information available.

Persistence and degradability

No specific information available.

Bioaccumulative potential

Not determined

Mobility in soil:

Not determined

Other adverse effects

Additional ecological information: Not determined

13) Disposal Information

Dispose of product in accordance with local and national regulations.

Treat contaminated containers in the same way as product.

14) Transport Information

Not regulated as a dangerous good.

Nor classified as dangerous in the meaning of transport regulations.

15) Regulatory Information

Safety, health and environmental regulations/legislation specific for the substance or mixture.

No compulsory identification under EC directives and national regulations.

Chemical Safety Assessment: No data available.

16) Other information

This product should be stored, handled and used in accordance with good hygiene practices and in conformity with any legal regulations.

To best of our knowledge the information contain herein is accurate. However, neither the above supplier assumes any liability whatsoever for the accuracy or completeness of the information herein

Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist
